

# FINALS SURVIVAL KITS

Order your Finals Survival Kits now! The Grad Nite Booster Committee processes and prepares orders and delivers kits to students in their classrooms on the first day of exams. Students enjoy the snacks, drinks and school supplies, but most important is a personal note from home with words of encouragement. Receiving a treat and moral support at this stressful time helps students do their best—don't let your son or daughter be left out!

To order a Finals Survival Kit for your student, fill out the order form below with the requested information. You can complete the information and pre-order for just one or for both semesters at this time. Send any questions to [fsk@smhspto.com](mailto:fsk@smhspto.com)

Make your check payable to SMHS-PTO (\$10.00 for one semester or \$20.00 for both semesters)  
Please include your student's ID# and "FSK" in the memo line  
Or EXACT CHANGE ONLY PLEASE
